

## STUDENT ACCIDENT INSURANCE 2023-2024 SCHOOL YEAR

This is a reminder to parents with a child or children attending school in the Dallastown Area School District that we do not carry medical insurance on students, but do provide parents with the opportunity to select a primary group insurance plan for students. Student accident insurance can help you eliminate the possibility of out-of-pocket expenses, since many group insurance policies no longer pay full hospital and medical expenses and may require a deductible or co-insurance. There are two plans available for your consideration:

- **Plan #1 School Time Coverage** – Cost \$22.50 per student – This will cover injury occurring while the student is traveling to and from school, while attending school sponsored activities such as plays, assemblies, class trips, intramural sports, gym and physical education classes, etc.
- **Plan #2 24 Hour Coverage** – Cost \$90 per student – This will cover all of the above, plus accidents occurring away from school, in the evenings and on weekends, vacation, etc.

A Dental Insurance option is also available for your consideration.

Please note that the plans should be considered in conjunction with any other family medical insurance you may have.
